

Anatomy and development of organs
2nd Semester 2019/2020

	Practical
1. 02. 03 - 07.	Blood circulation
2. 02. 10 - 14.	Blood circulation, heart, pericardium
3. 02. 17 - 21.	Aortic arch, thoracic aorta, v. cava cran. et caud., blood supply of the head and neck
4. 02. 24 -28.	Head blood supply of the head and neck
5. 03. 02 - 06.	Blood supply of the forelimb
6. 03. 09 - 13.	Blood supply of the hindlimb, anatomy of the birds TEST (16 structures)
7. 03. 16 - 20.	Oral cavity, tongue, salivary glands, teeth,
8. 03. 23 -27.	Pharynx, oesophagus, stomach
9. 03. 30-04. 03.	Comparative anatomy of the intestinal tract
10. 04. 06 - 10.	—————
11. 04. 13 – 18.	Liver, pancreas, spleen and blood supply
12. 04. 20 – 24.	Comparative anatomy of the intestinal tract
13. 04.27-05.01.	Respiratory apparatus
14. 05. 04 - 08.	Urinary and male genital organs
15. 05. 11 - 15.	Female genital organs T E S T (16 structures)

Prof. Dr. Sótonyi Péter
