		A: 22 Nov.	KB		SR
6.SURG. 4x45	Surgery of the head and neck. Dentistry practical.	B: 29 Nov.	TUP		TP
		A: 6 Dec.	TUP		TP
5. INT.	Colic case presentations. Methods of urine collection, urethral catheterisation.	B: 29 Nov.	BZ		MP
		A: 6 Dec.	BZ		MP

Students should wear a lab coat during the practicals.

Please be advised that mid-term exams will consist of both theoretical and practical questions, so it is highly recommended to take notes during the practical sessions.

Attendance is obligatory; only one practical may be missed, otherwise the semester will not be accepted. Missed practicals cannot be made up because of the nature of the practicals. The group cannot be changed.

BD: Béni, Dániel

BE: Bódai, Emese

BG: Bodó, Gábor

IS: Izing, Simon

MZ: Makra, Zita

NA: Nagy, Annamária

OZs: Ormándi, Zsolt

PZs: Pál, Zsófia

TP: Tóth, Péter

TUP: Tuska, Pál

BZ: Bakos, Zoltan

KB: Kőrös, Bianka

MP: Mikó, Péter

SR: Stirminszki, Réka
