HISTOPATHOLOGY REQUEST FORM

Data marked with * are compulsory to ensure. Please select who pays the bill.

***Sending veterinarian/institution**

Name:	
Address:	
Tel./e-mail:	

***Owner**

Name:	
--------------	--

***Data of the pet**

Species:	
Breed:	
Age:	
Gender:	female – male – spayed female – neutered male

***Specimen/lesion**

Specimen	Fine needle aspirate – Impression smear – Biopsy – Incomplete excision – Total excision – Necropsy specimen
Organ/type of tissue	
Localization	
Since when	
Appearance	Soliter – Multiplex
Size (total, original size of lesion) X X cm (width x length x depth)
Consistency	Soft – undulating – elastic – firm – hard
Ulcerated?	Yes – No
• Painful?	Yes – No
• Pruritic?	Yes – No

***Further data in case of tumors:**

Metastasis is observed?	Yes – no – not examined
Location of metastasis	
Regional lymph node is sent?	Yes – No Normal – Enlarged

***Treatments (please give duration as well):**

Glucocorticoids	
NSAID	
Antihistamine	
Antibiotics	
Chemotherapy	
Other	

***Type of histopathologic examination**

Urgent examination (double price – 3 working days)	Yes – No
Report	Simple – Detailed
Margin examination in case of tumor	Yes – No

Prices: (please find details at www.univet.hu Department of Pathology):

Simple report (diagnosis, tumor grading and remark) - 7–10, max. 14 working days	8.000 Ft
Detailed report (histopathologic description, diagnosis, tumor grading and remark):	14.000 Ft
Urgent examination	16.000 Ft
Special stainings (price of basic histopathology includes 1 special staining)	+ 3.500 Ft
