INFORMATION

about Emergency Critical Care service at Small Animal Clinic of UVMB

Dear Client,

Small Animal Clinic of UVMB kindly inform you that the Emergency Critical Care (ECC) service is available **exclusively for dogs and cats in emergency life threatening condition** every day **from 8pm to 8am!** ECC service is managed and provided by internists, surgeons, or obstetricians with scheduled students on clinical rotation.

The obligatory basic fee of the service includes consultation and physical examination, as well as the official expenses concerning the overhead costs of the night shift, according to the table below:

Fee of the night emergency physical examination:	15 000 HUF
Fee of the night emergency consultation:	25 000 HUF
Fee of the night emergency assistant:	10 000 HUF
Sum:	50 000 HUF

Further expenses (see price lists at the waiting room) are to be expected in case other diagnostic (e.g., lab work, radiology, ultrasonography) and therapeutic procedures (e.g., anaesthesia, surgery) are indicated, as well as calling the backup specialist and assistant is necessary. If you would like to take the emergency service according to the abovementioned circumstances, further specific information will be provided by the on-duty clinician.
