

Elective courses for the fall-term of 2024/2025

Sign up period: **between 7th September 2024, 10.00 AM (Saturday) – 13th September 2024, 11.00 PM (Friday)**

Timing / location: in the NEPTUN-system, please check it there! Minimum requirements of a course start: 15 applicants (except the language courses)!

All students have to sign up for electives in the NEPTUN-system!

Please note! It is your responsibility to be registered for electives. You can sign up / cancel / modify your elective(s) by 16th September only. After that it will be signed and indicated in your black book and study record as well, no matter what result / no result you will achieve. Accordingly, please make sure that you sign up if you want to do the course, if not then cancel and allow others to attend who are really interested! The prerequisite subject(s) – if any – has to be completed prior to sign up and NOT to sit the elective exam! Whether the course is B or C-type, please check the link below:
