KEY BENEFITS	<ul style="list-style-type: none">• External CPD Provision• Pension Scheme• Private Health Care Plan• Paid Annual Leave	NUMBER OF INTERNS TYPICALLY EMPLOYED	Discussed at inte

Sussex Equine Hospital have an exciting opportunity for Interns to join their friendly team.

There will be five main areas of responsibility:

Firstly, the overseeing of in-patient care. This will involve working as a team with the nurses. You will be required to examine patients, check on treatment plans, carry out bandage changes and perform such diagnostic procedures as each case requires (e.g. Arthrocentesis, Abdominocentesis). Of importance will be communication with the owners and trainers of the patient and coordination of the case with the referring Vet.

The second area of responsibility will involve performing the majority of the Anaesthetics. The third area of responsibility will be to oversee the Nuclear Scintigraphy unit. This will involve performing bone scans as part of 1 in 4 rota.

The fourth role is to work alongside the Clinicians in the hospital, working up cases including surgical cases and lameness'.

The fifth area of responsibility will be to deal with some occasional outpatient cases, such as vaccinations and rasping teeth. There will also be an opportunity to do some ambulatory work.

General Duties

In between performing your more specific duties, you will be required to oversee and become involved with some of the day patient procedures (e.g. Radiography, Endoscopy).

About Us

We are a state-of-the-art, purpose-built referral hospital, providing patients and clients with the best standards of equine veterinary health care. Please see our website for information on our facilities, equipment and services - www.sussexequinehospital.co.uk.

We are located in rural Sussex, with good train links to London, Brighton and Worthing. Here, there are lots of country walks and the seaside is only 20 miles away.

You will be working with a highly skilled team of Vets, Nurses and Grooms. We have fantastic lab and pharmacy provision, with great staff and a brilliant administrative team.

About the Team and Culture

Our team is made up of 4 specialist Surgeons, 2 Internal Medicine specialists, 2 Repro specialists and 1 Sports Medicine specialist. We also have 3 Nurses, 4 Student Nurses, 1 Nursing Assistant, 6 Grooms, 2 Pharmacy dispensers, 3 Scientific Officers, a Clinic Supervisor, 6 Interns, 1 Resident, 13 support staff, 2 Housekeepers and 12 Ambulatory Veterinarians.

We hold a Bi-Yearly Open Day, where we collect donations for a charity as voted by the staff. Moreover, we also sponsor local events and have regular staff socials that everyone can attend.

Applicant Requirements

This role would suit a recent graduate or someone wishing to increase their knowledge and skills in Equine Veterinary Medicine and Surgery. You will need to have a positive attitude to life, have a kind and caring nature, be enthusiastic, practical, hard-working and a good communicator with a "go-getter" attitude.

Because our employees matter

We recognise that our people are fundamental to the success of our business. Investing in our people, premises and processes is at the heart of what we do. In addition to a competitive base salary, you will benefit from-

Work life balance

6.6 weeks annual leave inclusive of bank holidays

Increasing holiday allowance based on length of service

Your birthday as a paid day off

Wellbeing

Private medical insurance

Enhanced family-friendly policies, including maternity/paternity/adoption/shared parental and surrogacy pay
