

MEADOWS VETERINARY CENTRE LTD

Introducing:

Final Year Apprenticeship

with Meadows Vets Centre, Scotland.

This award provides funding to the value of £1500 and the potential offer of a full time job as a qualified vet. Funded by Meadows Vet Centre, Aberdeenshire, this award includes around 8 weeks of extra-mural studies placement training, specific to your eventual job, in this busy, 2 centre, genuinely mixed practice in Aberdeenshire.

Bennachie, near Oldmeldrum

Ratray Head Lighthouse, near New Deer

Applications for this apprenticeship are invited from all 4th years studying veterinary medicine with a keen interest in and commitment to beginning their career in mixed practice. To apply please send us your CV and a covering letter. We are also now running an extended apprenticeship starting in 4th year with additional payments. We are happy to accept applications from 3rd year undergraduates for this type of apprenticeship.

Applicants successful in the first phase of selection will be invited to spend 1- 2 weeks of EMS with us during your 4th year. The successful recipient will be decided on during the summer prior to the start of their final academic year. Covid-19 measures will be discussed before beginning any placements.

For more information and to apply please contact Graeme Fowlie at Meadows Vets on:
