

Job Offer in France, Douvaine next to Annemasse and Geneve

We're searching a canine and an equine veterinarian in a clinic located in brand new premises on the shores of Lake Geneva and at the foot of the Haut Savoyard mountains, is recruiting a canine veterinarian and an equine veterinarian on a permanent contract.

We are a team of 3 veterinarians (one canine, one mixed canine equine and one equine) and 3 ASV hyper nice and dynamic.

The region and the clientele are top.

The clinic as well as the cars for the outside are very well equipped and the material is modern (canine gas anaesthesia, 2 digital X-ray machines, 3 ultrasound machines, laser, a shock wave machine, IRAP...)

A good level in French is needed.

The salary is negotiable. Around 2000 and 4500 regarding experience.

If you are nice and motivated we are waiting for you!
