

# Fishguard Veterinary Services

Unique opportunity for mixed role in a fully independent 5 person practice; seeking an enthusiastic practitioner with experience or the right new graduate. We are a rural, seaside practice in a new purpose-built building. Excellent rota to allow for a work/life balance; surfing, waterskiing, wakeboarding, kayaking and sea swimming actively encouraged.

- Opportunity to progress in all aspects of practice
- Clinical freedom with excellent back-up support
- Easi-scan ultrasound scanners, digital x-ray, small animal doppler ultrasound, Abaxis Vetscan in-house lab, Vet Imagyst lab facility, dental machine and Humphrey ADE anaesthesia
- Mixed practice, 45% farm (mainly dairy), 45% small and 10% equine
- Minimal TB testing, as employ TB testers
- Package includes 4x4 car, off site accommodation, iPhone, internet and landline, CPD allowance
- RCVS Accredited practice
