

How to check your elective credit points in Neptun?

You can check it at:

- Studies ---- > Curriculum
- Choose “Completed subjects”
- Curriculum: “English language curriculum” (you can choose it by clicking on the three dots)
- Subject group: “All”
- Click on “List”
- Click on “Subject type”, so it will arrange the subjects like electives and compulsory subjects
- You will see only those electives that you have completed so far
