

Info-summary about the student-status:

a) If you are inactive: look for dates and places designated for inactives, places for regular (=active) students are usually not available for you (although dates might be the same); fee: EUR 300,-/year.

b) If you are a part-time student: the same rules and regulations (compulsory attendance, exam dates etc.) are valid for you as for regular students in the subject(s) ONLY you are registered for as a part-time student. For all other subjects the rules and dates of inactive students apply. The number of chances for visiting a (part of a) subject is limited to two. A request for re-visiting a subject has to be submitted at student@univet.hu latest by mid-September or mid-February. Fee depends on the number (and type) of subjects you are registered for, usually some EUR 500,- or 1.830,-/semester/subject.

c) If you are a regular student (e.g. of the second year), but re-visiting some subject/s (e.g. Biochemistry 1) the same rules and regulations (compulsory attendance, exam dates etc.) apply as for regular students for ALL your subjects. When re-taking a subject previous results of it (mid-terms, signature etc.) are not valid anymore. The number of chances for visiting a (part of a) subject is limited to two. A request for re-visiting a subject has to be submitted at student@univet.hu latest by mid-September or mid-February. Fee depends on the number (and type) of subjects you are registered for in addition to your regular course, usually some additional EUR 1.830,-/semester/subject.

d) If you have a regular, full-time status "only" but miss some exams(s) please look for the dates offered as re-takes or postponed exams. Attendance at parcticals of the subject you miss the exam in (thus re-visiting it) is not permitted; fee: no additional fee required.

e) An individual study plan is usually offered along with doing - due to several major exemptions - courses from the 1st and 2nd curricular year parallel, i.e. "2in1". Please contact the Student's Secretariat for details. Basically the same rules and regulations (compulsory attendance, exam dates etc.) apply as for regular students for ALL subjects you are not exempted from. As a general rule "2in1"-students are exempted from the exam (but not the classes!) in the academic subject "Anatomy 2" and offered to have their first two attempts in "Anatomy 3" in May-June; fee: no additional fee required.

Should you be uncertain about your student status please do contact the Student's Secretariat for clarification.

Interruption of the regular, full-time student status (e.g. being inactive and / or a part-time student) during the studies with us for more than four semesters in a row would result in an automatic (although not final) suspension in Budapest.
