

## Call for proposals for all students, Ph.D. students of the University of Veterinary Medicine

In the framework of the project EFOP-3.6.3.-VEKOP-16-2017-00005, the University of Veterinary Medicine supports students and PhD students to participate on domestic or international conferences. 4-5 applicants will be awarded within each call.

Applications will be evaluated by the **Scientific Committee**.

Deadline for proposal: **07 February 2018. 12:00**

Proposal submission: to fill **the application form of the 1st Conference Call as defined therein**

Value of grants: (which can be used for: registration fee, accommodation, airfare, travel costs (excluding local transport), insurance):

In case of participation in domestic conferences: up to **150.000Ft**

Participation in an international conference: up to **300,000Ft**

Results will be published on **21 February 2018**

In the application form submitted, it is important to indicate whether the candidate is making a presentation, and whether it requires graphic design and printing assistance for poster design and implementation.

The list of awarded students will be published by the University at [www.univet.hu](http://www.univet.hu) website. For more information about the application and the topic, please visit <http://univet.hu/hu/egyetem/palyazati-projektek/tudomanyos-utanpotlas-erositese> page under the General Terms and Conditions.
