

We are united by our passion for the welfare of animals. Together we create the best medical standards in an appreciative working atmosphere.

One-year Internship Programme in Equine Medicine – at the well-known Karthaus Veterinary Competence Center

About Altano:

With over 1,000 employees at over 40 locations, Altano is one of the leading groups of equine clinics in Europe. More than 300 doctors and medical specialists pool their experience. State-of-the-art equipment supports advanced diagnostics and enables the animals entrusted to us to be treated at the highest level. The employees of the Altano Group benefit from a corporate culture based on appreciation and a fair and respectful working atmosphere. Every employee can develop professionally in the Altano Academy or in qualified teams of specialists. Joint activities such as the Altano Clubs, Christmas parties or the Altano Congress bring employees together and promote community in the Altano Group.

About the Clinic:

For the Karthaus Veterinary Competence Center based in Dülmen and the branches in Krefeld, Dorsten and Lingen, the quality of life and the well-being of the animals is the top priority. With a strong and professional team of around 100 employees, we rely on a wide range of treatment and therapy options. Our respected horse clinic with driving practice and small animal department is located in close proximity to the well-known Dülmen wild horses and 30 km west of the liveable city of Münster. We have been growing steadily for 25 years and offer Horse owners a wide range with specializations in orthopaedics, surgery and internal medicine as well as in ophthalmology and dentistry.
