

Dear Students,

let me inform you that 3 firewalls exist in the International Study Programs (for the English and German classes):

between curricular year 2 and 3 (all exams of year 1-2 need to be passed prior to enter the 3<sup>rd</sup> year)

between curricular year 4 and 5 (all exams of all subjects which finish by the end of year 4)

after the 5<sup>th</sup> curricular year, prior entering the 11<sup>th</sup> (practical) semester (all exams of the first 5 years need to be passed prior to enter the 11<sup>th</sup> semester)

The firewall between year 4 and 5 does NOT apply to those who started BEFORE September 2019 BUT apply for all who started in or after September 2019!

Those who started BEFORE September 2019 (no matter which year they are in) can enter the 5<sup>th</sup> year with missing exams of year 3 or 4.

kind regards

Tibor Bartha

Vice Rector for International Study Programmes
