Students from the international course are allowed to spend their summer polyclinal practice at the Clinics of the University. For the Hungarian students it is obligatory, but for the international class it is an opportunity. But you are welcome at the Clinics! Examples for the participation:

- 2 weeks Small Animal Clinic + 2 weeks Horse Clinic
- 4 weeks Small Animal Clinic / Horse Clinic
- 2 weeks one of the University's clinics + 2 weeks in other facility/farm/ clinic

If you are interested in spending the practical at the Uni- please apply via email (Bacsa.Monika@univet.hu) with the exact date and placement.

The final schedule for the practice will be ready in the beginning of June, after the Hungarian students' application.

After the schedule is done there's no opportunity to cancel the registration.

Thank you for your understanding.
