Kickstart Your Global Sales Career in Animal Health!

Are you ready to join a company where science meets purpose — and your work can make a real difference in the lives of animals across the globe?

Dr. Bata Ltd., a Hungary-based innovator in natural feed additives for over 30 years, is expanding its commercial team!

We're looking for an **Export Technical Sales Representative** to join our international crew.

What's the job about?

- Building and supporting sales in over 60 countries
- Working closely with partners and sister companies in the Americas and Asia
- Exploring new markets and identifying new distributors
- Preparing presentations and marketing materials
- Visiting farms and animal facilities occasionally – be comfortable around animals
- Collaborating with our R&D team on feeding trials
- Representing the company at international trade shows and partner meetings

Who are we looking for?

- University degree in natural sciences (veterinary or agriculture is a plus)
- Fluent English is a must (Spanish, Portuguese or Chinese is a bonus)
- Willing to travel internationally – up to 60 days/year
- No experience required – recent grads are encouraged to apply!
- Confident with basic MS Office tools (PowerPoint, Word, Excel)

What's in it for you?

- Competitive salary
- Extra benefits package
- Supportive international environment where you can grow fast

Location: Ócsa (Pest County, Hungary) + International travel
