

Annex 5 – Quality Objectives 1

Doctoral School of Veterinary Science – ESG 2015 Part 1: Standards and Guidelines for Internal Quality Assurance

ESG Ref.	Quality Objective	Task	Responsibility	Collaborators	Deadline
1.1	Quality Assurance Policy	The institution shall have a public quality assurance policy that is part of strategic management. It should be developed and implemented by internal stakeholders (students, instructors, non-teaching staff) through appropriate structures and processes, involving external stakeholders (users, employers, partners).	Head of DSVS	–	30 June 2025
1.2	Design and Approval of Training Programs	The institution shall have processes for designing and approving training programs. Programs must meet their objectives, including expected learning outcomes. Qualifications must be clearly defined and communicated, referencing the national qualifications framework and the European Higher Education Area framework.	Analytical review of the training plan (course harmonization)	Head / Secretary of DSVS	30 June 2025
1.3	Student-Centered Learning, Teaching, and Assessment	The institution shall implement training programs that encourage students to actively participate in shaping the learning process. Student assessment should reflect this approach.	Review and evaluation of student request types and fulfillment	Head / Secretary / Administrator of DSVS	31 December 2024

1.4	Admission, Progression, Recognition, and Awarding of Qualifications	The institution shall consistently apply predefined and published regulations covering the full student lifecycle.	Evaluation of admission results; Evaluation of public defense performance	Head / Secretary / Administrators of DSVS	31 December 2024
1.5	Instructors	The institution shall ensure instructors have appropriate competencies and apply fair and transparent procedures for recruitment and professional development.	Annual review of core member criteria	Head / Secretary of DSVS; DSC	31 August 2024
1.6	Learning Support and Student Services	The institution shall have adequate financial resources for learning and teaching activities and provide accessible learning support and student services.	Evaluation of student satisfaction survey results	Head / Secretary of DSVS	30 June 2025
1.7	Information Management	Institutions shall collect, analyze, and use relevant information to manage training programs and other activities.	Documented handling and recording of activities and results defined in ESG points 1.2–1.9	Head / Secretary of DSVS	30 June 2025
1.8	Public Information	Institutions shall publish clear, accurate, objective, up-to-date, and easily accessible information about their activities, including training programs.	Ensuring up-to-date content on the DSVS website and the ODT platform; Verification of data content	Head / Secretary / Administrators of DSVS	31 December 2024
		Full alignment of the English DSVS website with the Hungarian version	Head / Secretary of DSVS	–	31 December 2024
1.9	Continuous Monitoring and	Institutions shall continuously monitor and periodically review training programs to ensure they meet objectives and	Monitoring of English-language PhD training and increasing student	Head / Secretary of DSVS	30 June 2025

	Regular Evaluation of Training Programs	societal needs. Evaluations should lead to continuous improvement and planned or implemented actions must be communicated to all stakeholders.	numbers (internationalization)		
1.10	Cyclical External Quality Assurance	Institutions shall undergo regular external quality assurance according to ESG.	University-level ISO 9001 audit by an external party	President of AMB; Secretary General; Internal AMB staff; Quality development advisor	30 June 2025

Approved on: 25 March 2025 by the Head of the Doctoral School of the University of Veterinary Medicine
