

## **We are searching for a veterinarian (m/f/d)**

Are you a recent veterinary graduate looking for more than just a job? Do you want to join an independent practice where you can grow your knowledge and where your development truly matters?

Then you are the perfect fit for us:

We, the *Fachtierarztpraxis Bergstraße* in Heppenheim, Germany – are a modern, forward-thinking specialist clinic, searching for a veterinarian with a passion for small animal veterinary medicine or veterinary dentistry.

If that sounds like you, we'd love to hear from you.

Please send your application via email to:

Dr.C.Heinichen@fachtierarztpraxis-bergstrasse.de

or call us at: +49 6252 76866

## **You can look forward to...**

... High – end – technology: Work in a modern practice, inclusive our own CT and special diagnostic.

...Targeted promotion: We actively support you in your further education as a veterinarian for small animals.

...Focus on animals dentistry: Use your chance to be a specialist for dentistry

...Work-life-balance: We offer a fair compensation and regulated working hours

## **What do you need to apply?**

- A completed medical license as a veterinarian (m/f/d)
- Motivation to grow in your knowledge
- Joy while working with your patients and in our team
- A high interest in small animal veterinary medicine

Start your veterinary career in a place where your ambition is supported, your skills are valued, and your future is built with care.
